2.1 How do I apply and what is the application process?

The application is submitted via email on nomad.residencymalta@gov.mt along with supporting documentation. A checklist of documentation may be accessed [here](#).

Payments should be made directly from the MA's bank account.

Once the payment is received, the processing of the application will start. Application processing is expected to take 30 working days starting from the issuance of the receipt of funds issued from our Finance Department, during which Residency Malta will conduct background checks. This does not include any processing time required for visa issuance purposes. Should the Agency have any queries, we will revert in the form of a report.

Should the application be successful a Letter of Approval in Principle is issued, and one is required to submit proof of accommodation and a health insurance policy within 30 days from the date of issuance of the Letter of Approval in Principle. Once the above is finalised, a Letter of Final Approval is issued.
